Jubilee and Reading Room Committee seems to be quite appropriate and brings about a definite and substantial reduction in the Establishment of the Municipality. The pay of this post is then proposed to be met from out of the lumpsum allotment to be given by the Municipal Council

But the D C has not suggested how this post would be filled up later on by the Reading Room Committee

As regards the post of the Bill Accountant on Rs 30 – 5/2 – 40, the D C proposes to retrench this post and to treat the existing incumbent as Supernumerary till he is permanently absorbed elsewhere" There is no indication as to how how long and when all this could happen [It is not clear whether the need for the Bill Accountant's post which Continued so long has ceased to exist and what alternative arrangements they propose doing for the work of accounting the Collections, especially as the D C says that the volume of work which the Mly is handling, has, of late increased Considerably As the Bill Accountants post is part and parcel of the existing establishment

Subject - Revision of the scale of the clerical establishment of Davangere

In forwarding herewith the correspondence ending with letter No H C 18/37-38 dated 23rd July 1938, received from the President, Town Municipal Council, Davangere, regarding the subject noted above, I have the honor to state that this is a Municipality with an average annual (normal) income of Rs 50000 and has a clerical establishment of 7 clerks on the scale noted in the margin

1 Head Clerk in grade Rs 40-5/2-50
1 Deputy Clerk on Rs 35-1-40
1 third clerk on Rs 30-1-35
1 fourth clerk on Rs 30
1 Record keeper Rs 25
1 reading room clerk Rs 20
1 Bill Accountant on Rs 30-5/2-40

The Municipal Council resolved at its meeting held on 4th May 1938 (vide copy enclosed) to revise the present scale of the clerical establishment in accordance with the Government order No L 811-821 Ml 16-35-82 dated 25th July 1936

Item No I of para 2 of the Government order provides only for 4 clerks to the Municipality with an annual income of Rs 50000 and over but this Municipal Council has resolved to have a fifth clerk as record keeper on Rs 25 per month

The revised scale that is now proposed by the Municipal Council is as noted below -

1 One Head clerk on Rs 40-2-50
2 Three clerks on Rs 25-1-30-1-40
3 One record keeper on Rs 20-1-25

The President states that the establishment noted above is quite necessary in view of the fact that the income of

P T O

the Municipality is more than twice the prescribed limit and the volume of work that has to be attended to, is very heavy

Regarding the Reading Room clerk, the President states that this post was sanctioned in G O No L 1319-20 M1 40-30-8 dated 13th August 1930 and requests to obtain sanction of Government to permit the Silver Jubilee Reading Room Committee to fill up the post of Reading Room Clerk as the Committee has been maintaining separate accounts The President adds that the existing clerk will be absorbed as Bill Collector in an existing vacancy

I have looked into this question It is true that there is real necessity for five clerks in view of the large volume of work pertaining to the Municipality Further, the proposal of the Municipal Council to have a fifth clerk would be within the terms of the latter part of para 5 of the Government order dated 25th July 1936, in view of the large volume of work of this big Municipality

I may state in this connection that the appointment of the Reading room clerk on Rs 20 (sanctioned permanently in G O No L 1319-20 M1 40-30-8 dated 13th August 1930) may be removed from the Municipal establishment and ordered to be entrusted to the Reading Room Committee (his pay being met from out of the lumpsum allotment to be given annually by the Davangere Town Municipal Council)

With regard to the appointment of the Bill Accountant on Rs 30-5/2-40, a separate proposal has been submitted to Government for retrenching the post of the Bill Accountant and to treat the incumbent as supernumerary, till he is permanently absorbed elsewhere (Kind reference is invited to this office No AE C 4471/37-38 dated 29th July 1938)

The required proposition statement showing the financial effect of revising the establishment is enclosed herewith It will be seen therefrom that there would be a net savings of Rs 60 per mensem Necessary provision has been made towards the proposed establishment in the current year's sanctioned budget estimates of the Municipality

In these circumstances I request that sanction of Government

(Vide next page)

may kindly be obtained to the proposal of the Davangere Town Municipal Council on the following points viz to revise and fix the scale of the clerical establishment of the Municipality consisting of five clerks as noted below -

I (1) One Head Clerk on Rs 40-2-50
(2) Three clerks on Rs 25-1-30-1-40
(3) One record keeper on Rs 20-1-25

II For removing the post of Reading Room Clerk on Rs 20 from the Municipal establishment and transferring it to the local Silver Jubilee and Reading Room Committee (the pay of the post being met from out of the lumpsum allotment to be given by the Municipal Council).

I have the honor to be,

S I R,

Your most obedient servant,

Deputy Commissioner,

Subject Revision of the Clerical establishment of the Davangere Town Municipality

---

With reference to your letter No L 6563/M1 31-35-67 dated 21st February 1939 on the above subject enquiring as to what alternative arrangements are thought of for the work of accounting the collections in Davangere Municipality where the work has increased considerably I have the honour to state as follows -

The President, Davangere Municipality whom I consulted in the matter states that this aspect of the question was placed before the Municipal Council, for consideration at its meeting held on 15th March 1939, when it was resolved as follows

"Resolved that on further consideration the Accountant's post is necessary and that the question of abolition of this post may be dropped for the present"
(vide resolution copy enclosed for kind reference)

The Municipal President requests me to address Government to drop the question of abolishing the post of the Bill Accountant in view of the large volume of work of the Municipality Further, the President proposes to revise the present scale of the said appointment and to fix the scale at 25-1-30-1-40 instead of Rs 30-5/2-40 as at present

P T O

4) I have looked into the question further and I agree with the views of the Municipal President

5) I may add, in this connection that by the retention of the post of the Bill Accountant and by revising its scale as proposed above the financial result would be a net savings of Rs 3-12-0 per month (with reference to the proposition statement already submitted to Government) Further, the proposed revision would facilitate the easy ~~under~~ inter-change of officials from the Municipality to the Revenue Department and Vice-versa

But flag makes no reference to this Hon

6) In these circumstances I request that sanction of Government may kindly be obtained to the retention of the post of the Bill Accountant and to revise the scale of pay of the appointment from Rs 30-5/2-40 to Rs 25-1-30-1-40 in addition to the two proposals already submitted to Government in this office letter No A6 C 302/36-37 dated 2nd February 1939 viz, (I) to revise and fix the scale of the clerical establishment of the said Municipality consisting of five clerks (i e one Head Clerk on Rs 40-2-50, three clerks on Rs 25-1-30-1-40 one Record Keeper on Rs 20-1-25) and (II) for removing the post of Reading Room Clerk on Rs 20/- from the Municipal Establishment and transferring it to the Local Silver Jubilee and Reading Room Committee (the pay of the post being met from out of the lumpsum allotment to be given by the Municipal Council
